

# Block 1

Name \_\_\_\_\_

Date \_\_\_\_\_

During the VR session you just experienced, how far did your sense of self extend into the surrounding world? Using the letters and images below, please indicate how much your SELF felt as if it extended beyond your physical body. A means your self stopped at your physical body; letters farther outward indicate greater self-extension into the surrounding space. The rings are symbolic and do not represent actual distances. Please mark one letter directly in the pictogram with an X.

# Block 2

Name \_\_\_\_\_

Date \_\_\_\_\_

During the VR session you just experienced, how far did your sense of self extend into the surrounding world? Using the letters and images below, please indicate how much your SELF felt as if it extended beyond your physical body. A means your self stopped at your physical body; letters farther outward indicate greater self-extension into the surrounding space. The rings are symbolic and do not represent actual distances. Please mark one letter directly in the pictogram with an X.
